Academy Architecture

Prize Competition for
Artistic Advertisement.

RULES:

1. Anyone may compete, proof of being a subscriber to the publication is not necessary.

2. Designs must be original and not traceable to any existing pattern.

3. Any advertisement in Vol. 20, 21, or 22 of Academy Architecture may be taken to work upon, and the artist's design must contain the headings as well as room for the rest of all the letterpress contained in the same, the letterpress forming part of the artistic arrangement. However, care must be taken to reverse the lettering of all Names, Streets and Towns (but not materials, &c.), London, for example, to read "Nodnod," Smith & Co., "Hitnis & Co." The original advertisement ought to be attached to the competitive design, or unmistakably described (Adv. Vol. . . . A. A. of . . . ) on the margin of the same.

4. The reduced size of the advertisement will be 8 in. by 3½ in. for full page, 4 in. by 3½ in. for half a page, and 2 in. by 3½ in. for a quarter page advertisement. The competitive drawings must be one half larger, viz., 12 in. by 8½ in.; 6 in. by 8½ in.; and 3 in. by 8½ in.

5. All drawings to be in pen and ink only, without any washes or colours.

6. All competitive designs must reach this office, packed flat, free of charge, and marked "Competition," on or before the 1st of February, 1903. They must be legibly signed with pseudonym only; a corresponding sealed envelope, giving the full name and address of the artist, must be joined to the designs.

7. A prize of £4 will be awarded to design considered best by the Editor of the publication for a full page, £2 for half a page, and £1 for a quarter page advertisement. His award will be final, and all the premiated designs will become the entire property of Academy Architecture, but the payment of all or part of the prizes may be withheld if in his opinion no design is of sufficient merit. He also reserves to himself the right to reproduce in Academy Architecture any of the designs submitted, or to acquire any or every of the unpromoted designs for the sum of £1 each.

8. The award will take place in the month of February, 1903, the result published in No. 23, and the unsuccessful designs returned free of cost.

CHANCE BROTHERS & Co.,
LIMITED,
GLASS WORKS, NEAR BIRMINGHAM.

Manufacturers of all descriptions of Window Glass, Sheet, Patent Plate, Rolled Plate, Figured, Double Rolled Cathedral, Rolled Cathedral, Muffled, and Coloured Glass.

Optical Glass and Microscopical Thin Glass.

Chance’s Figured Rolled Glass is made by a Patent Process, producing the most beautiful and highly finished glass of the kind: the perfect impression of the pattern in relief and the brightness of the reverse surface producing an effect of great brilliancy.

Chance’s Double Rolled Cathedral is made by the same Patent Process as Figured Rolled, giving a brilliancy of surface on both sides that is most effective. We are now supplying it at the same prices as the ordinary make of Rolled Cathedral, and can strongly recommend its use.

The St. Pancras Iron Work Co., Ltd.

171 ST. PANCRAS ROAD, LONDON, N.W.
ACETYLENE-GAS LIGHTING.

See "Acme" Generator at Work at Showrooms.

Acetylene is the nearest artificial approach to daylight. The light is of beautifully soft quality and of exceptional actinic value.

It can be attached to any house fitted with ordinary iron gas pipes.

Estimates given for complete installations.

The generator works automatically, and drops lb. of Carbide in over 400 lbs. of water, making only five cubic feet of gas at any one time, thus ensuring Safety and Economy.

Gas bills and cost of electrical repairs are avoided.

Are acknowledged by all who use them to be the BEST IN THE MARKET.

Very Great Care is taken in their manufacture, and Every Piece is examined by a competent workman before leaving the Factory.

The following letter confirms the above:

"Miss Smith, Exmouth, 4th Nov., 1892.

I have just received a most excellent set of instruments, which I have always used for the last 20 years, and which are, as usual, in the best condition. I am sorry to hear that you are not satisfied with them, but I am sure you will find them as useful as ever. With every good wish,

Yours truly,

W. H. HARLING, 47 Finsbury Pavement, London, E.C.
